

### Remarks

In the July 17, 2007 Office Action, the Examiner noted that claims 1-9 and 23-33 are pending (claims 1-9, 24 and 25 being withdrawn) and has required that Applicant elect certain species in claims 23 and 26-33 for initial search and examination. Responsive to the Examiner's Requirement for Election of Species, Applicant hereby elects fertilized eggs for initial search and examination. Applicant has amended the claims to provide that the dependent claims depend from the elected species set forth in claim 33. Thus, the claims encompassing the elected species include claims 26 – 31, 33 and 34.

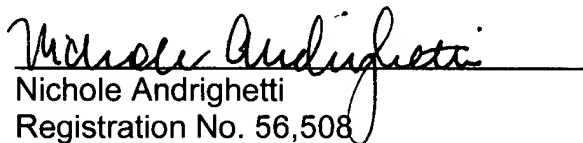

In summary, it is respectfully submitted that the present application is in complete condition for allowance and favorable action on the merits is requested. The Examiner is invited to telephone the undersigned should any issues remain after the consideration of this response.

Please charge any additional fees that may be required to Deposit Account No. 50-2548.

Respectfully requested,
